

ELMIRA SUGAR KINGS

The Elmira Sugar Kings are a proud member of the Greater Ontario Junior Hockey's Midwestern Conference. This league is the premier Jr. B league in Canada and next season is our 40th consecutive season in operation. Elmira is a small, close knit community just minutes north of Kitchener-Waterloo and is less than 15 minutes away from The University of Waterloo and Wilfrid Laurier University. It is also very close to Conestoga College and a short drive to the University of Guelph. Many of our current players attend these post-secondary institutions.

The Sugar Kings have a very proud tradition of hockey excellence. We have promoted dozens of players to higher levels of hockey. Our alumni include present NHL defenceman Dennis Wideman of the Boston Bruins. Over the last several seasons our alumni can be found playing in the NHL, OHL, NCAA, CIS and many pro leagues throughout North America and Europe. However just as importantly to us is the type of young man who graduates from our program to enter the next stage of his life. In Elmira our entire community takes pride in the Kings as they are welcomed into the lives of Elmira residents.

While it is important that we recruit exceptional hockey players we also pay very close attention to the type of person that we bring into our program. We want players who are talented but who also display an unparalleled work ethic, demonstrate strong moral values, place education as a high priority, and who care about themselves and the lives of the people around them. In Elmira we want to win but we believe winning is only accomplished with the right type of people.

If you are interested in our program please complete the application for our Prospects Camp in May. We expect the competition to be tough and we only want players who are willing to accept that challenge.

Any questions or concerns that you have may be directed to the Head Coach Geoff Haddaway at haddaway@mgl.ca or by phone at 519-651-0748.
